

Dear Ms. Ashcroft,  
Edward and Bessie Pratt and myself, Mrs. David  
Pratt (June) wish to donate \$1,050.00 (Cheques enclosed)  
in memory of John and Kathleen Pratt and family,  
and have their names remembered on The Founders Club  
plaque.

My husband David Pratt passed away Nov. 26/09  
and I know he would have encouraged this donation.

We wish you all well in this endeavor.

Yours sincerely,  
June Pratt

**Branches of the family tree may  
spread far and wide but many  
Birtle roots are firmly planted.**

Like so many families, June, Edward and David Pratt of B.C. have remembered their Birtle roots by honouring their parents with a memorial donation to the Birtle and District Foundation. It seems fitting to think that some of the Founders of our community and its organizations are now recognized as Founders of our Community Foundation. Like planting a tree, with strong roots the foundation will be here for the long term; for the benefit of residents now but as it grows, so too do its benefits to the community.
